Android version requires: 4.1 and higher Prices on the market (for information): Free Age of Play: +3 years Rovio Entertainment Corporation Android 4.4 + Version: 9.7.0 \$0 Angry Birds Friends (MOD, Unlimited Boosters) - a popular franchise storytelling about confronting bad birds and no less insidious piggies. In general, Angry Birds Friends is kind of in addition to the original game, while the developers retained known atmospheres, mechanics and controls, but did not forget about innovation. And so, this section has gained new places and levels that are updated every week, but the main innovation is a full-fledged online mode in which you can compete with friends or other players, as well as participate in tournaments, complete various tasks and get unique bonuses and prizes. Updated to version 9.7.0! Angry Birds Friends - is another part of the most popular games in the gaming industry! Now you have a great opportunity to fight or with their comrades on Facebook or from the global list. Every day, developers add many different interesting new missions and tasks that are not only necessary, but want to perform, how to make this process an incredible pleasure. Prove to everyone around that you can only take a few minutes to get all the major medals out of the Game, and your record few people will be able to beat for a long time! Angry Birds Friends at the moment is the last game in the universe angry birds, which was able to return past the atmosphere of the game, without various developments, returning the game to a nostalgic but such a good start. This is a really unique update game that will not add many new birds or posts because there is an emphasis on the return of the common game with friends from Facebook. From now on you have a really good opportunity to show your friends and fight them in bird throwing skills as well as getting great experience points for one or the other completed task. Features: Legendary series - back in the ranks; Huge number of cute much loved birds; Amazing work that breathed life in. Screenshots Page 2 Most likely, Angry Birds Go is one of the expected video games created by Finnish developers Rovio Entertainment, where cheerful colorful characters will play in a whole new role is in a fantastical 3D world. From now on, small bad birds and their affable enemies are forced to compete in a lightning-dizzying racing tournament, riding on enchanted tracks on unusual machines, where each unique character gets the opportunity to take advantage of the unique qualities, as well as Power Ups, which were allocated only to him. Except as mentioned above in the game newly introduced telepods features, which provide players with the help of a special camera, the ability to insert a real character from a series of games about bad birds in a video game by scanning. Take part in sports races, earn points every day and upgrade your car. Big minus game-brainless opponents, but remove annoying ads and add infinite energy. iCom.rovio.angrybirdsfriends PublisherRovio Entertainment Corporation Version9.7.2 Fize size70M MOD FeaturesUnlimited BoosterNew Update SupportAndroid 4.4+ App Details DownloadComing to Angry Birds Friends you will be turned into birds to destroy opponents to teammate rescues locked in robust iron cages. Seemingly simple, but the player has to go through a lot. The difficulty level constantly increases the difficulty level, making the player more attracted to the game. The story tells of a great war between the two sides. Heroic birds and cunning pigs. Pigs have kidnapped comrades of birds. When he found out the birds he decided to go save his brother. Battles have taken place from this side. Will the birds finally perform the task of bringing their teammates home safely? Download Angry Birds Friends mod - Brave warriorsAngry Birds Friends is part of the angry birds game series. Released from 2013 until now, this game has caused a great reputation in the community of players. With over 50 million downloads in the last few years only, Angry Birds Friends can be considered a hit game for everyone. Angry Birds is a game suitable for all ages. Very fun with lots of fun sounds and expressions. Simple gameplay is easy to understand, so it is not difficult for players to complete the set tasks. Come to Angry Birds Friends today to become a brave warrior! Brave birdsAngry Birds Friends game consists of 2 main characters that are birds and pigs. Colorful birds are assigned to rescue their teammates. And pigs with ugly faces prevented the bird from being rescued. Especially when a player lost to pigs and laughed with a happy face. How to play Angry Birds FriendsTáci were locked in iron cages of pigs. Fights and screams are not good. If no one comes to save the birds, what will the birds do? At this time, the army to rescue the birds appeared. The commando is equipped with weapons to make it easier to save the birds. Players have to go through many levels with levels from simple to difficult. The keys are gradually opening and the birds are rescued. To save the birds just touch the screen to pull the bow and focus on the right target. When the target is correct, the correct coordinates of the target, the player releases a hand to shoot. The pigs were all shot, now you have won to go to the next level in the game. EquipmentJoin Angry Birds Friends you are equipped with other weapons to save the birds quickly and easily. Power Elixir: Increase performance, attack solid walls. Slingscope: Use this item to draw with arrows indicating the destination. Help players target opponents more accurately. Kingsling: Rocks, the wall is too high for birds to reach pigs. Think about this help now. The use of kingsling sling slings will grow taller so that birds can shoot at pigs. With the help of the connected equipment, the player who has completed the level will be awarded a bonus. The higher the bonus, the faster the ability to buy more equipment or buy the player a new weapon. Especially when playing Angry Birds Friends every day you'll be spinning a lucky spin once a day to get more money weapons... Features in Angry Birds FriendsFull-screen game mode helps players accurately track the target. Connect with Facebook with many features such as Games, share gifts, especially have game modes with friends. He confirmed the talent of the players with his friends. When you used up weapons and still can't beat hate pigs, now you can buy more weapons by recharging. Birds of all kinds of colors: Chuck's dazzling yellow, cold black Bomd gives players an interesting and eye-catching feel while playing. Different sounds with clear singing of birds, pigs chirping during the loss. Angry Birds Friends is a 3D action genre with vivid sounds, engaging and cute images that make players incapable of breaking their eyes. If you like lightness, but as an adventure, then Angry Birds Friends will be a great choice for you. Feel free to longer, please hold your phone and download the Angry Birds Friends mod to compare your skills with your friends !!!!
